OUR GIFT TO THE REBBE: 1210+ INSTITUTIONS FOR 120 YEARS

THE SHLUCHIM'S GIFT

Mirroring the Rebbe's call in Shnas Hashvi'im to establish new mosdos, shluchim around the world have taken hachlatos to start new mosdos in honor of the Rebbe's 120th birthday.

Just a few months in, we are proud to share an update of how far the campaign's implementation has come, surpassing our goal with close to 1,500 new mosdos pledged!

As we present this personal gift to the Rebbe, it is our hope that these efforts continue to grow exponentially and bring much nachas to the Rebbe.
